

CALL FOR ABSTRACTS

We would like to invite all YWPDK members to send us an abstract for the 1st YWPDK conference and workshop taking place on the 10th -11th of March in Odense. Abstracts can be centered around practical and/or research projects related to the five thematic tracks identified at the GA in December and illustrated below.

URBAN
WATER

INTERDISCIPLINARY
CAPACITY BUILDING

WATER TECHNOLOGY
& INNOVATION

WATER & CLIMATE
CHANGE

WATER &
ENVIRONMENT

The abstract should as a minimum include:

1. Author (who will present)
2. Title
3. Thematic track
4. How the project relates to the thematic track
5. What you learned from the project
6. Project description

Membership of YWPDK is open and free of charge for all water professionals age 35 and under residing/working in Denmark.

Sign up at ywp.dk!

The project description (6) should be limited to 100 words. Abstracts will be selected for oral presentations or poster sessions within one of the 5 thematic tracks. Abstracts should be sent as PDF's to submission@ywp.dk marked "Abstract Submission: Name of thematic track" no later than January 30th 2015.

Please contact us at info@ywp.dk if you have any questions!

You can read more about the findings from the workshop and the call for abstracts on our website ywp.dk!

We hope to hear from you and see you in Odense!
