# Working in the Water Sector

**Date:** Tuesday, June 23, 2020

**Time:** 15:30 – 17:00

**Registration:** [Fill in this form](#)

## Are you interested in a career within the water sector?

In this FREE webinar, five experienced water professionals from Denmark will share their experiences with you and describe their different job profiles.

At the end of the webinar, there will be a Q&A session, where the participants can ask the presenters questions about the present and future roles of professionals within the water sector.
